KC HOME

ЗА НАС

.....

КС HOME има 30 годишно искуство и е познат по својот напреден дизајн и квалитет, низ кои ви нуди висока класа на квалитет во вашиот простор. Најновите колекции генерираат моќни визуелни ефекти и доловуваат чисти, симетрични линии создавајќи префинети амбиенти.

Новите извонредни колекции се инспирирани од производи со автентичен изглед на камен, металик и текстурирани стилови, како и комбинации на модерни скали на тонови. Тие нè носат до суштината на винтиџ стилот и претставуваат нова генерација на енкаустични производи каде што шаблонот или фигурата на производот се создаваат со различни бои и техники. Со голема декоративна убавина, нашите најнови колекции се прогресивен тренд во дизајнот на секаков ентериер.

Изберете дизајн на порцелански плочки со модернистички или рачно изработен изглед, во современ или минималистички стил.

PHYSICAL FEATURES

FIRE RESISTANCE

Our flex technology is totally fire resistant and non-flammable (Category 0).

CHEMICAL RESISTANCE

The tiles are also resistant to chemicals (acids and bases) thanks to its porcelain ceramic structure and glaze layer on its surface.

CUTTING

It can be cut with standard glass and ceramic cutters, computer controlled automatic cutting machines in the required dimensions.

DRILLING

The flex technology can be drilled with glass drills as well as with other known automatic drilling devices.

EASE OF CLEANING

The flex technology has a smooth surface on which dirt does not accumulate. If required it can be cleaned with water and known cleaning agents.

ECO-FRIENDLY

Our flex technology, which is produced by an environment friendly technology. Compared to the traditional ceramic production process, its gas and dust emission is 20 times, its Co2 emission is 1000 times less.

PHOTOCATALYTIC

The flex technology is photocatalytic thanks to its Nano-tech coating surface. It cleans itself with rain and sunlight.

ANTIBACTERIAL

Protects both outdoor and indoor, even in poorly lit environment. Hygienic; resistant to bacteria, mould and fungus.

ANTIGRAFITI

Easy to wipe and clean pollutants like crayon, graffiti, permanent marker, board marker.
