ABOUT US

KC HOME is one of the most reliable and leading brand in North Macedonia for high quality, functional and stylish products.

Kaleceramica since 1992 offers ceramics, sanitary-ware and other products for modern environments to increase your comfort by combining quality, functionality and aesthetics. From the classic looks of the latest models and textures to the most desirable contemporary designs. The products have ISO 9001: 2000 quality management system and European Standard.

A modern bathroom vanity unit with a white rectangular sink and a chrome faucet. The vanity has dark grey, handleless cabinets and drawers. Above the sink is a matching dark grey wall-mounted cabinet. To the left is a tall, dark grey storage unit. To the right, a white towel hangs on a rack. The background wall is made of grey stone tiles, and the floor is dark grey. A toilet is partially visible on the far left.
